Senior Class Fundraiser

Help support the Lanesville class of 2025! We're working hard to fund all of our senior events. Below is a link for a fundraiser through Rada Cutlery. Through this store you can purchase a variety of kitchen essentials, and the class of 2025 gets a percentage of the profits. This is a great option for Christmas, birthday, or housewarming gifts! If you're not looking to buy any of these products for yourself or someone else, feel free to share the link to someone you know! Just make sure it is the same link that says to support our class! The class of 2025 greatly appreciates your help!

NEW STUDENTS

Please make sure you send in a copy of your birth certificate and proof of residency (electric bill, water bill, etc.) Both documents can also be uploaded into harmony.

If you have any custody paperwork, please send a copy to the office.

Student Drop off & Pick up

For the safety of students and staff we have set drop off and pick up procedures.
AM Drop off – Between the times of 7:30 and 7:50, Jr/Sr High Students will need to be dropped off in parking lot, away from car rider line, and walk across the lot. No students are to be dropped off at the entrances of the school during this time due to the elementary car rider line.

If students arrive at school after 7:55 a.m., they are considered tardy and must sign in at the office.

PM Pick up – No students should be picked up at the front of the building during dismissal until the elementary car rider line has ended. After buses/car rider line drivers have left, students may be picked up at the school entrance.

PARENT CONNECTION – NOVEMBER 22ND, 2024

Do not pick up or drop off your child at the curb near the main entrances when any buses are present before or after school.

If you or someone you know is interested in being a substitute teacher here at Lanesville, please contact the high school office!

Lunches and Visitors to the building

Due to the large number of students in our lunches we do not allow parents/friends, etc to visit during lunch for grades 7-12. If you visit the building and are going past the front door for **ANY REASON, then YOU MUST sign in at the office.**

You will be asked to provide the office with a state issued ID to be scanned and a visitor sticker printed. This sticker should be worn at all times while in the building.

Cafeteria Information

The lunch menu for August is attached. Jr. High and High School lunches will cost \$2.90. Our A-la-carte items will need to be purchased and will be charged to your lunch account. Breakfast is being served again this year! The cost is \$1.90. The menu is subject to change due to availability. **If your account is negative, no A-la-carte items may be purchased. You will still be able to purchase a regular high school meal. You can apply for free and reduced lunches at anytime during the school year!!**

Contact Mrs. Denny in the cafeteria with any questions.

The menu for this month is attached

Prosser Students

Prosser students need to have parents inform Prosser directly for their absences through their attendance line, 812-542-6601. The AM Prosser bus will leave school by 7:20 AM. Prosser students are NOT to drive to Prosser unless permission has been given by Prosser and Lanesville has been notified by a parent/guardian of the student. Students are NOT able to drive to Prosser! Prosser enforces this policy and students must sign in at student services and obtain a proper parking permit, if eligible.

NAFCS "Weather Day" Guidance

NAFCS Families,

11/15/2024

I wanted to reach out with some information as the winter weather season is upon us. This year we will be utilizing and/or operating under two different "snow day" scenarios if severe winter weather impacts school. The weather event and situation will determine which type of Snow Day our school district will be implementing: We will either use a Traditional Snow Day or an Asynchronous Snow Day.

If there is a chance of severe winter weather that could impact school, NAFCS administration will communicate with teachers and direct them to send devices and chargers home with students. If school is canceled, families will receive an all-call from the corporation where we will alert families how we will be operating that particular day.

Below are the instructional guidelines for each day.

1. Traditional Snow Day – Make-Up Day

- There is a possibility, depending on the intensity and number of weather events, that we would make up the school days at a later time.
- The Traditional Snow Days could be made up during the **Spring Break Snow Make-Up/ Intersession Week** (Our plan is to use the following days as Make Up Days - March 17, 18, 19; and then days following the end of the scheduled school year). **We would use 3 traditional make up days in March before we would use any more Asynchronous Days.**

2. Asynchronous Snow Day - Posting of Assignments

- Teachers will post information about the day's learning and assignments via our Learning Management System (Google Classroom, textbook, etc) by 9:00 am.
- Teachers will hold office hours and be available for questions and communication with students and parents from 9:00 am - 2:00 pm.
- Communication received from students/parents between 9:00 am and 2:00 pm will be returned the same day.
- Students will be provided (3) three school days to complete all posted assignments and tasks upon return to school. Students without internet access may turn in their completed work for evidence of attendance.
- **Reminder for k-4 students: All Chromebooks and charging cords must be returned to school on the next in person school day. These are signed out per individual student each day they go home. Thank you for your support, help and care with these items as we work to provide the best resources possible for our students.**

NAFCS Administration puts our students, families and team members' safety first when making decisions on school closures and/or delays. When those decisions are made, we will do our best to get that information disseminated as quickly and efficiently as possible so that families can make informed decisions and proper arrangements.

Thanks so much for your cooperation and understanding. Thanks for all of your support for our NAFCS Students!

Sincerely,

Dr. Travis G. Madison, Superintendent
