Online Registration

Thank you to everyone who has already completed the online registration. If you have not already done so, please log into your child/children's Harmony account and complete online registration. Online registration helps eliminate paperwork and the chance of forms not making it home or back to the office. Please note, if you have already set up a Harmony account for your student, that log in will still work! DO NOT create another account. If you need your guardian log in code, please email Mrs. Simcoe at simcoem1@lanesville.k12.in.us
Please make sure you upload a copy of your birth certificate and proof of residency (electric bill, water bill, etc.) Both documents need to be uploaded into harmony.

If you have any custody paperwork, please send a copy to the office.
